Shaded areas represent the ages that can now use the "and under" program. Players from one "traditional age" group below may play up in an "and under" league. (Example-traditional age bronco players may play within the pony and under program). Players may only play up one age bracket. The Shetland program continues to be a 5 and 6 year old traditional program.

Colt/Palomino teams may have up to three 19 year old players per roster

No Player can play in more than one division (Ex-a 14 year old Pony player can not play during the Pony season and then participate in the Colt/Palomino season)
